## Cousin Shamus' Many More S' Mores

1 ea. whole graham cracker ( 4 small sq.)

1 ea. Marsh O Mallow

Cut Marsh O Mallow in half and place on 1/2 of the graham cracker. Microwave for 13 sec to soften and melt chocolate . Top with other half of cracker and enjoy for snack or dessert. For more nutrition, add slices of banana or a thin layer of peanut butter onto the first graham cracker, top with Marsh O Mallow and microwave.

Fun for the kids to fix dessert for the family, too! Everyone will want more of the "Many more S'mores! "
